Marulan Gas Fired Power Station

New fences and land maintenance
January to February 2026

Issued: January 2026

EnergyAustralia will be undertaking approved land maintenance and strengthening works to the existing boundary fencing on EnergyAustralia land on both sides of Canyonleigh Road during **January and February 2026**.

How will this impact me?

What:

- Short-term noise and activity from light machinery (including an excavator) as we clear ground and strengthen the existing boundary fence.
- This upgrade supports more effective weed control and livestock management and is provided at no cost to neighbours.

Where:

- Along the EnergyAustralia boundary fence line on both sides of Canyonleigh Road near the Transgrid switchyard (*see map*).

When:

- During **January and February 2026**, during standard daytime work hours only.

Need more information?

If you have a question about these works, please don't hesitate to contact us.
